CASE NAME: FTX Switzerland GmbH**CASE NUMBER:** 22-11169**GENERAL NOTES**

This periodic report (the "Periodic Report") has been prepared solely for the purpose of complying with Rule 2015.3 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"). This Periodic Report contains certain financial information for certain non-debtor entities of non-publicly traded corporations and in which an estate of a Debtor (as defined below) controls or owns at least a twenty percent (20%) interest (each, a "Controlled Non-Debtor Entity" and, collectively, the "Controlled Non-Debtor Entities"). The information provided in this Periodic Report has been provided by the Debtors' management.

Description of these Chapter 11 Cases

On November 11 and November 14, 2022 (as applicable, the "Petition Date"), FTX Trading Ltd. and its affiliated debtors (each a "Debtor" and, collectively, the "Debtors")¹ each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors' chapter 11 cases (the "Chapter 11 Cases") are being jointly administered for procedural purposes only pursuant to Bankruptcy Rule 1015(b) and Rule 1015-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the District of Delaware. On December 15, 2022, the United States Trustee appointed an official committee of unsecured creditors in the Chapter 11 Cases pursuant to section 1102(a)(1) of the Bankruptcy Code. Additional information about these Chapter 11 Cases, court filings, and claims information is available at the Debtors' restructuring website: <https://restructuring.ra.kroll.com/FTX>.

Financial Statements

The financial information contained herein is unaudited, limited in scope, and as such, has not been subject to procedures that typically would be applied to financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and are not intended to reconcile fully with any financial statements prepared under U.S. GAAP. The Controlled Non-Debtor Entities maintain their books and records in accordance with U.S. GAAP and the information furnished in this Periodic Report utilizes the Controlled Non-Debtor Entities' normal accrual method of accounting.

For financial reporting purposes, the Debtors prepare consolidated financial statements at Debtor FTX Trading Ltd. (Case Number 22-11068), which include information for the Controlled Non-Debtor Entities. This Periodic Report only contains financial information of the Controlled Non-Debtor Entities. The financial statements presented in this Periodic Report are derived from the books and records prepared and maintained by the applicable Controlled Non-Debtor Entity as provided to the Debtors. For purposes of filing this Periodic Report, the accompanying Balance Sheets and Statements of Income (Loss) of the Controlled Non-Debtor Entities have been prepared and presented for only those Controlled Non-Debtor Entities with activity during the period presented. The presentation in this Periodic Report does not include all the information and footnotes required by U.S. GAAP for complete financial statements. The financial statements and supplemental information contained herein represent condensed information, are limited in scope, and cover a limited time period. Unless otherwise noted, the Periodic Report generally reflects the Controlled Non-Debtor Entities' books and records and financial activity occurring during the time period covered by this Periodic Report. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the time period covered by this Periodic Report.

(1) A complete list of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://restructuring.ra.kroll.com/FTX>.

CASE NAME: FTX Switzerland GmbH**CASE NUMBER:** 22-11169**GENERAL NOTES**

Although management made reasonable efforts to ensure that the financial information is accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to the information. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update this Periodic Report. Nothing in this Periodic Report shall constitute a waiver of any rights of the Debtors, including the right to amend the information contained herein. The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable nonbankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against, or equity interests in, the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors, the Controlled Non-Debtor Entities, and the Debtors' advisors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.

This Periodic Report should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Controlled Non-Debtor Entities or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. Further, this Periodic Report is limited in scope, covers a limited time period, and has been prepared solely for purposes of fulfilling the requirements of Bankruptcy Rule 2015.3. Accordingly, the following notes, statements, and limitations should be referred to, and referenced in connection with, any review of this Periodic Report.

BCoin Digital Assets Limited

BCoin Digital Assets Limited is an Irish entity that was formed May 28, 2020, and is a wholly owned subsidiary of Debtor FTX Switzerland GmbH. BCoin Digital Assets Limited did not prepare or maintain any books and records as the entity did not conduct any operations after formation. Costs incurred by the Debtors for the formation of BCoin Digital Assets Limited were not segregated from expenses otherwise incurred by the Debtors and no intercompany balances were recorded between the Debtors and BCoin Digital Assets Limited. Additionally, the Debtors have been unable to identify any financial records for BCoin Digital Assets for the time periods covered by the Periodic Report. As such, no financial statements for BCoin Digital Assets Limited can be produced from the financial data prepared and maintained by the Debtors.

BCoin Technology & Co. AG and Binary Technology & Co. AG Liquidation

Two of the Controlled Non-Debtor Entities, BCoin Technology & Co. AG and Binary Technology & Co. AG, were dissolved by the Debtors on December 31, 2021. The Debtors began formal liquidation proceedings for the entities in Austria in January 2022 and proceeded to have the entities' registrations deleted in February 2022. Neither BCoin Technology & Co. AG nor Binary Technology & Co. AG conducted operations after formation. Costs associated with formation and liquidation of the entities were paid by FTX Derivatives GmbH and FTX General Partners AG. As no business operations were conducted by the entities, no books and records were maintained for the two entities. Additionally, due to turnover in parties responsible for preparing and maintaining the Controlled Non-Debtors' books and records, substantiating documentation for certain book balances and transactions is limited or unavailable. Based on the data available to the Debtors at the time of this report, the Debtors have not identified any material assets, liabilities, or operating activities associated with BCoin Technology & Co. AG and Binary Technology & Co. AG.

CASE NAME: FTX Switzerland GmbHCASE NUMBER: 22-11169**GENERAL NOTES****Income Taxes**

Any income tax amounts or disclosures presented in this Periodic Report are derived from the books and records prepared and maintained by the respective Controlled Non-Debtor Entities as provided to the Debtors. No separate analysis regarding the realizability of deferred tax assets or the need for uncertain tax position reserves has been performed by the Debtors. The Non-Debtor Entities remain subject to examination by taxing authorities for any open audit periods, which could further impact the results included in this Periodic Report.

Intercompany Transactions

Prior to the Petition Date and continuing thereafter, but only as approved by the Bankruptcy Court, the Debtors routinely engaged, and continue to engage, in intercompany transactions with the Controlled Non-Debtor Entities. Intercompany transactions have not been eliminated in the Balance Sheets and Statements of Income (Loss) contained herein, as these eliminations are only performed in consolidation. The Debtors are in the process of reviewing historical intercompany balances and transactions between Debtors and between Debtors and Non-Debtors. The results of this review could result in material changes to reported intercompany balances and transactions.

Current Values

The Debtors do not maintain fair market value or other bases of valuation for the Controlled Non-Debtor Entities, which may differ substantially from the net book value of these entities.

Currency

The amounts herein are presented in United States dollars, unless otherwise stated.

Reservation of Rights

Nothing contained in this Periodic Report shall constitute a waiver or admission by the Debtors in any respect, nor shall this Periodic Report or any information set forth herein waive or release any of the Debtors' rights or admissions with respect to these chapter 11 cases, or their estates, including with respect to, among other things, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. The Debtors are reviewing the assets and liabilities of their affiliates on an ongoing basis, including, without limitation, with respect to intercompany claims and obligations, and nothing contained in this Periodic Report shall constitute a waiver of any of the Debtors' or their affiliates' rights with respect to such assets, liabilities, claims, and obligations that may exist.
